

School Music Participation Form

The Greensboro Symphony Youth Orchestra Program exists to enrich the lives of talented young musicians through the study and performance of music. Because the program is intended to complement students' involvement in their school music programs, musicians must participate in their school orchestra or band unless there is a valid reason they cannot.

Students, please bring this form to your school's music director for their signature. Your membership in the Youth Orchestra Program will not be finalized until this form is complete. If your school does not have a music program, please have an administrator sign this form. If you are home schooled, please have a parent sign this form.

Directors, if this student is not a member of your school program and does not have a valid reason for not being in your program, they will be denied acceptance in the Greensboro Symphony Youth Orchestra Program.
